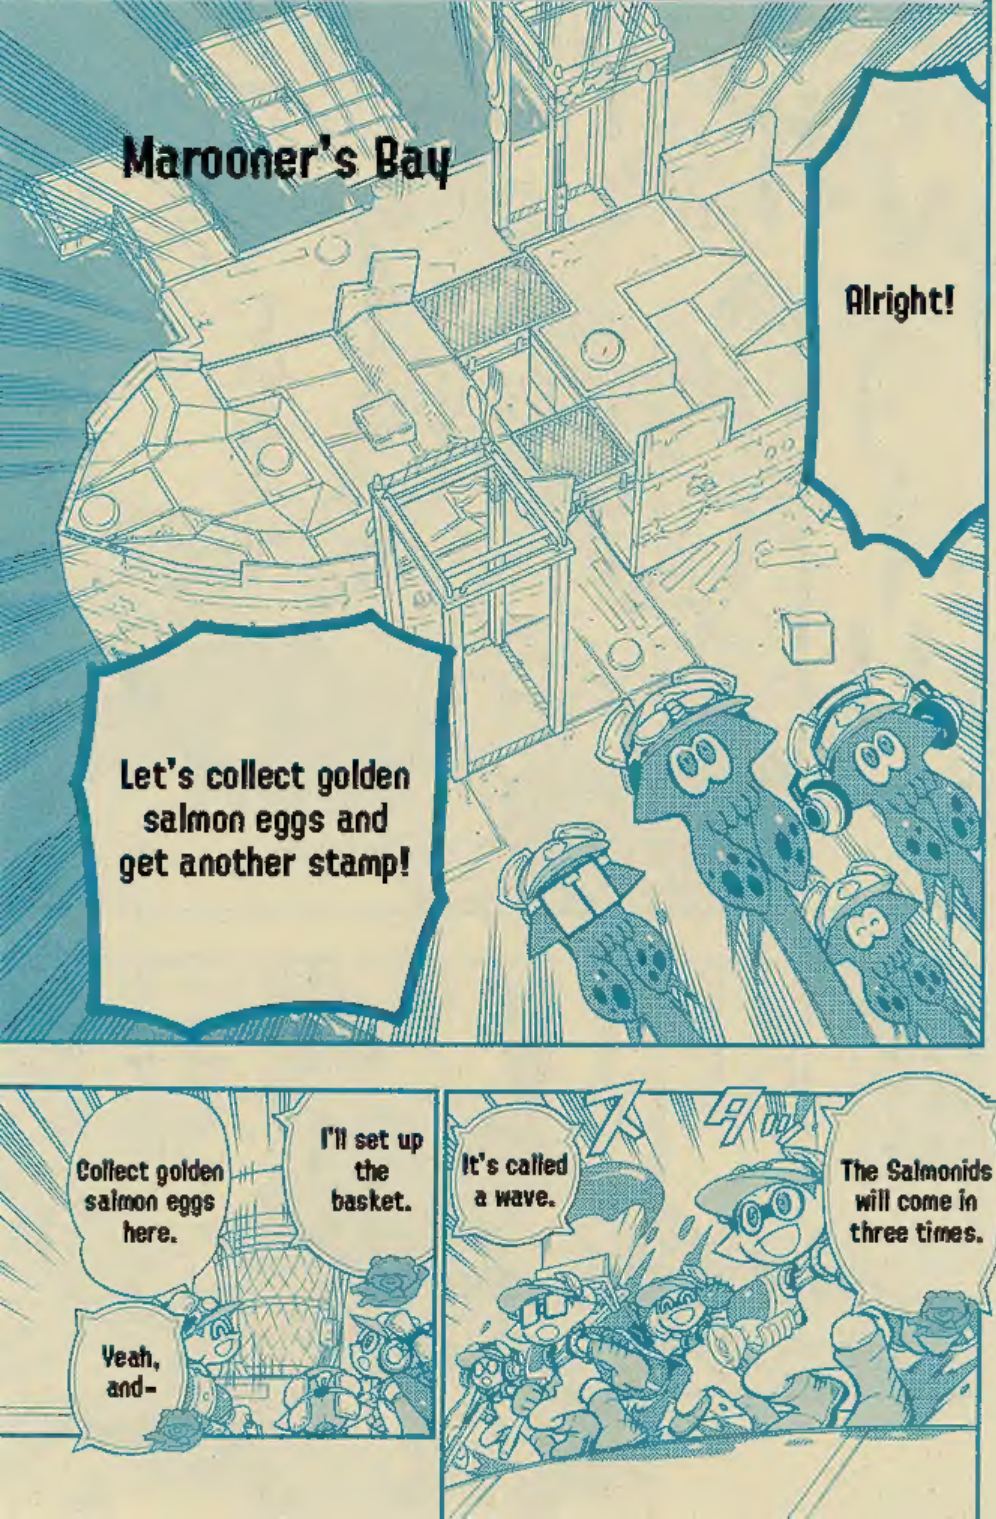
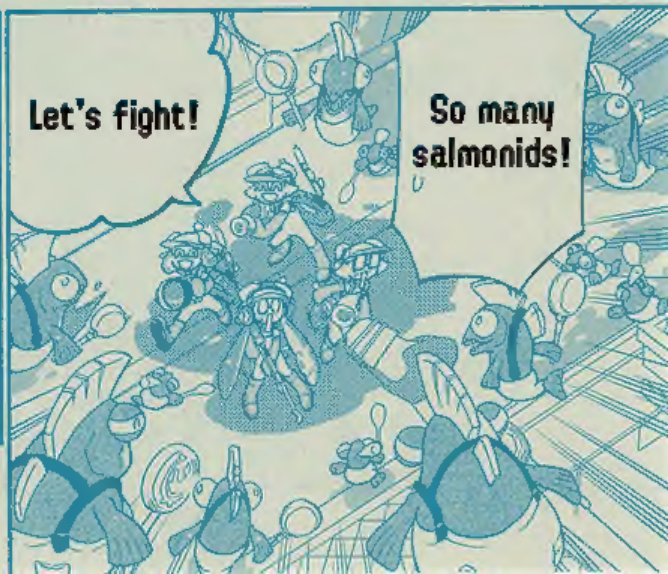
クッキーングバトル
Want to have a cook-off?
Those are the weapons to fight with! You're using it wrong!
You're hungry, huh?
Do your best.
Yes!
Oh.
It's Mr. Grizz!
I was surprised to see a carved wooden bear.
You've arrived at the destination.



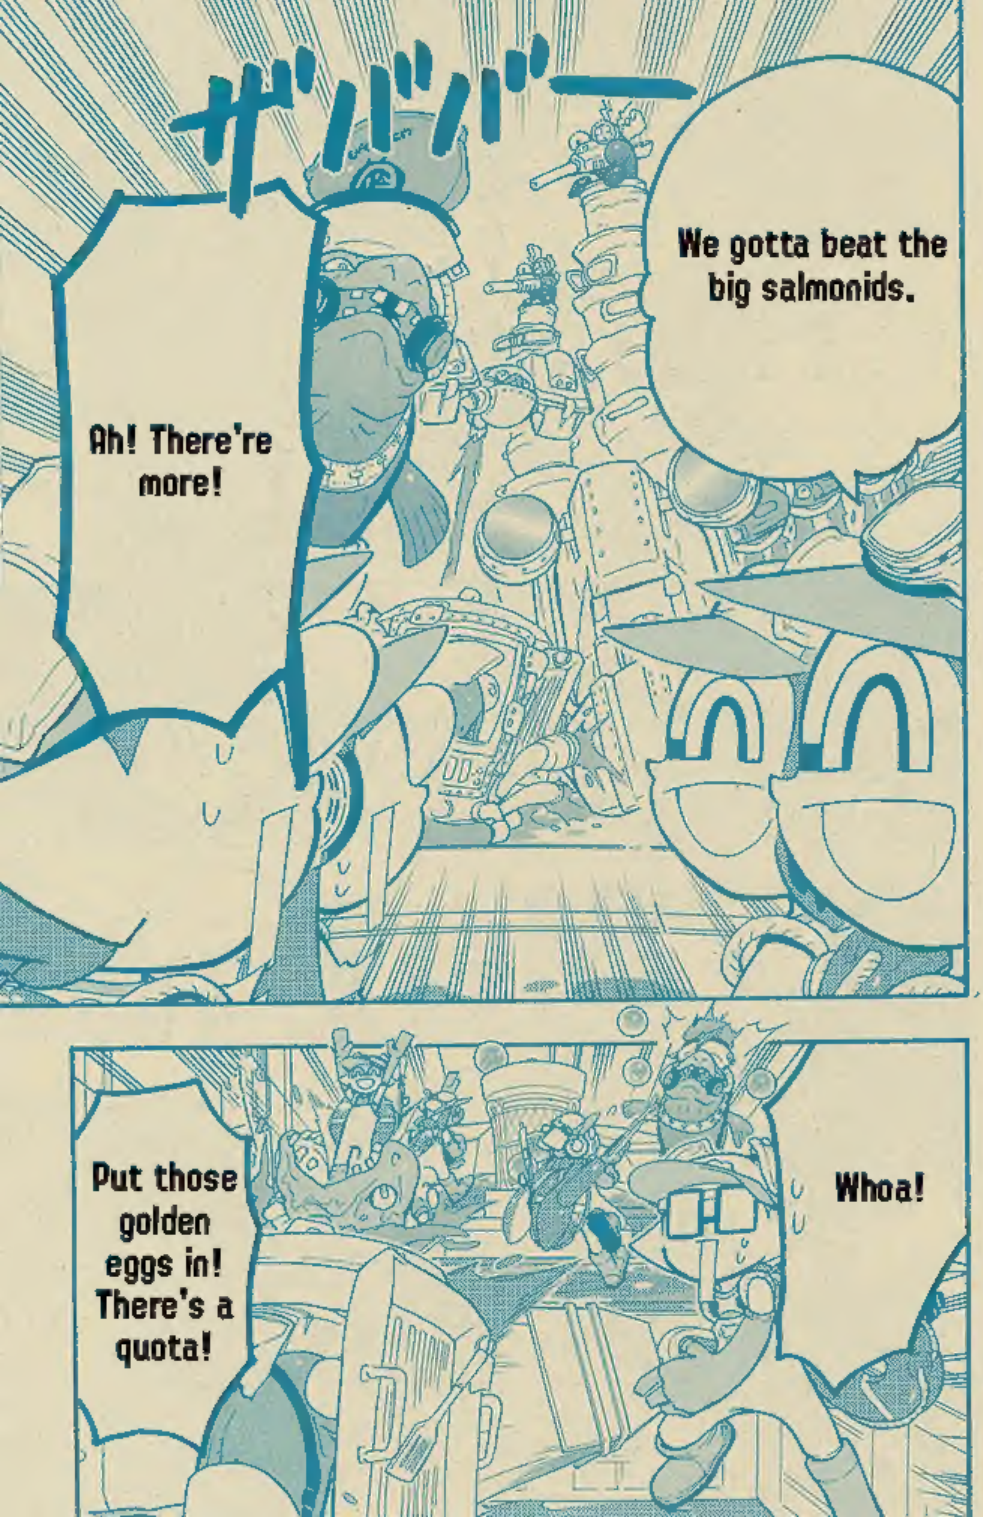
Marooner's Bay
Alright!
Let's collect golden salmon eggs and get another stamp!
Collect golden salmon eggs here.
I'll set up the basket.
Yeah, and-
It's called a wave.
The Salmonids will come in three times.

ガバー
Whoa! When did it start?!
It's already begun.
Wave 1 begins!

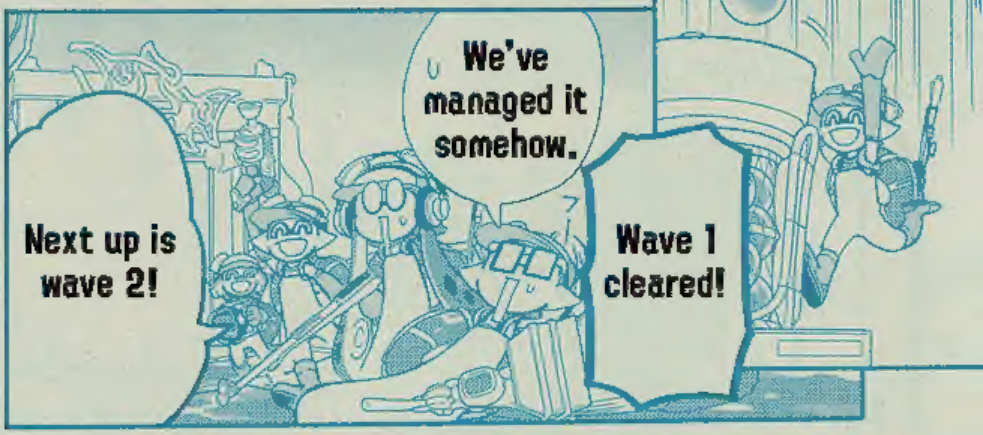
How can I get golden salmon eggs?
Let's see.



Let's fight!
So many salmonids!



ガバガバ
We gotta beat the big salmonids.
Ah! There're more!
Put those golden eggs in! There's a quota!
Whoa!



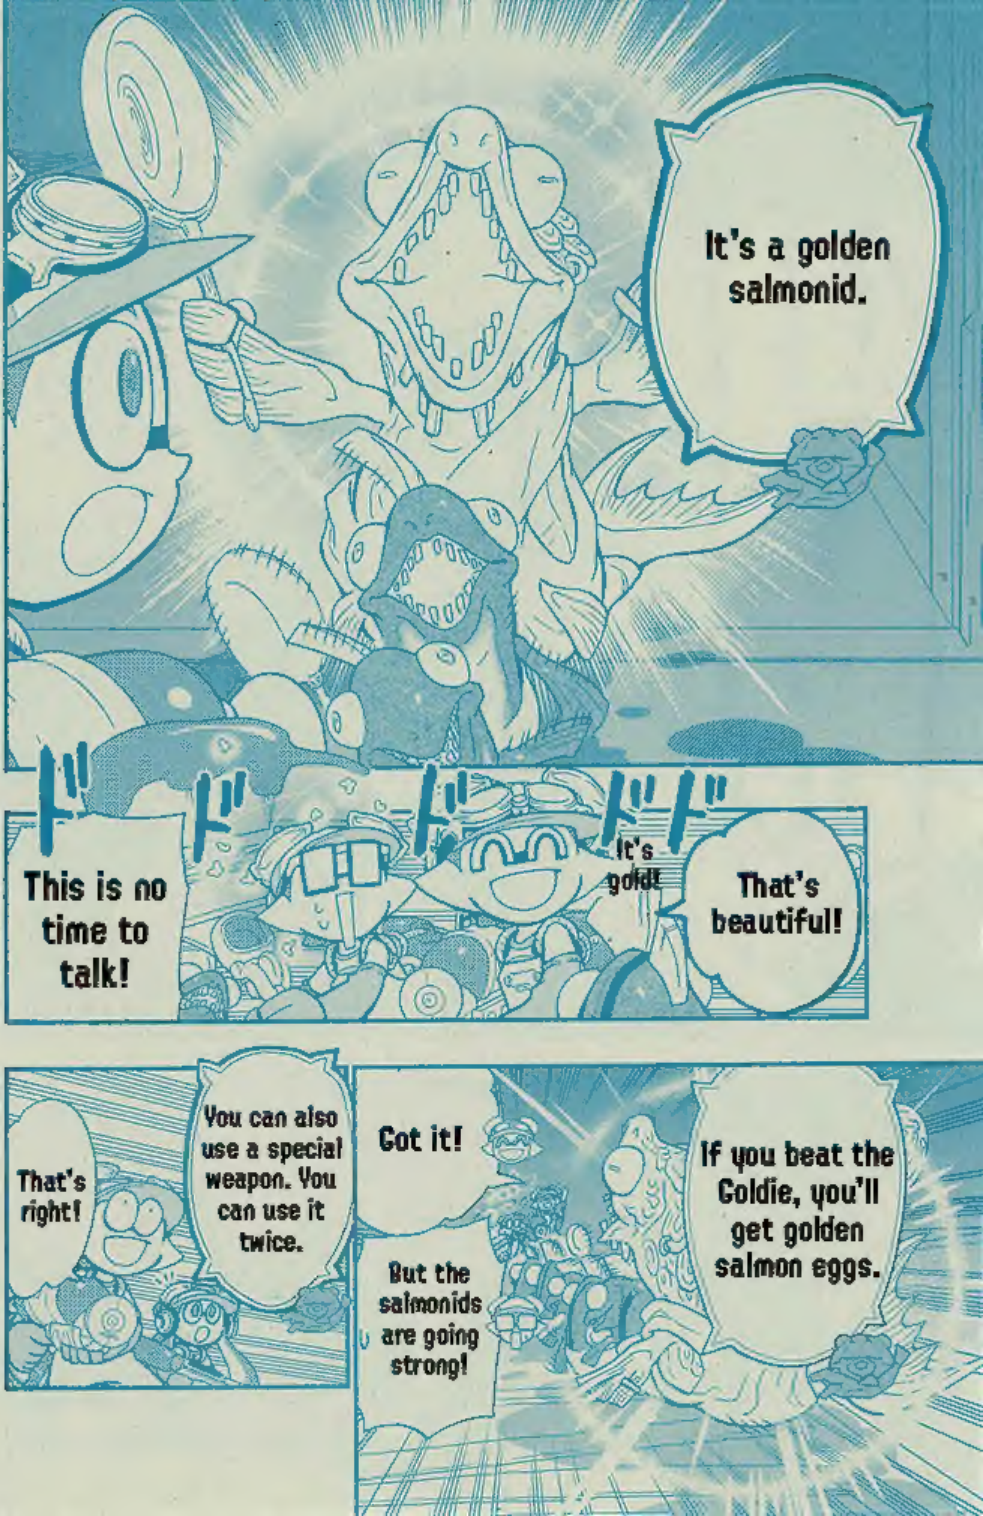
Next up is wave 2!
We've managed it somehow.
Wave 1 cleared!

A bug?
Something's flying.
It's glowing.
It got dark?
Huh?

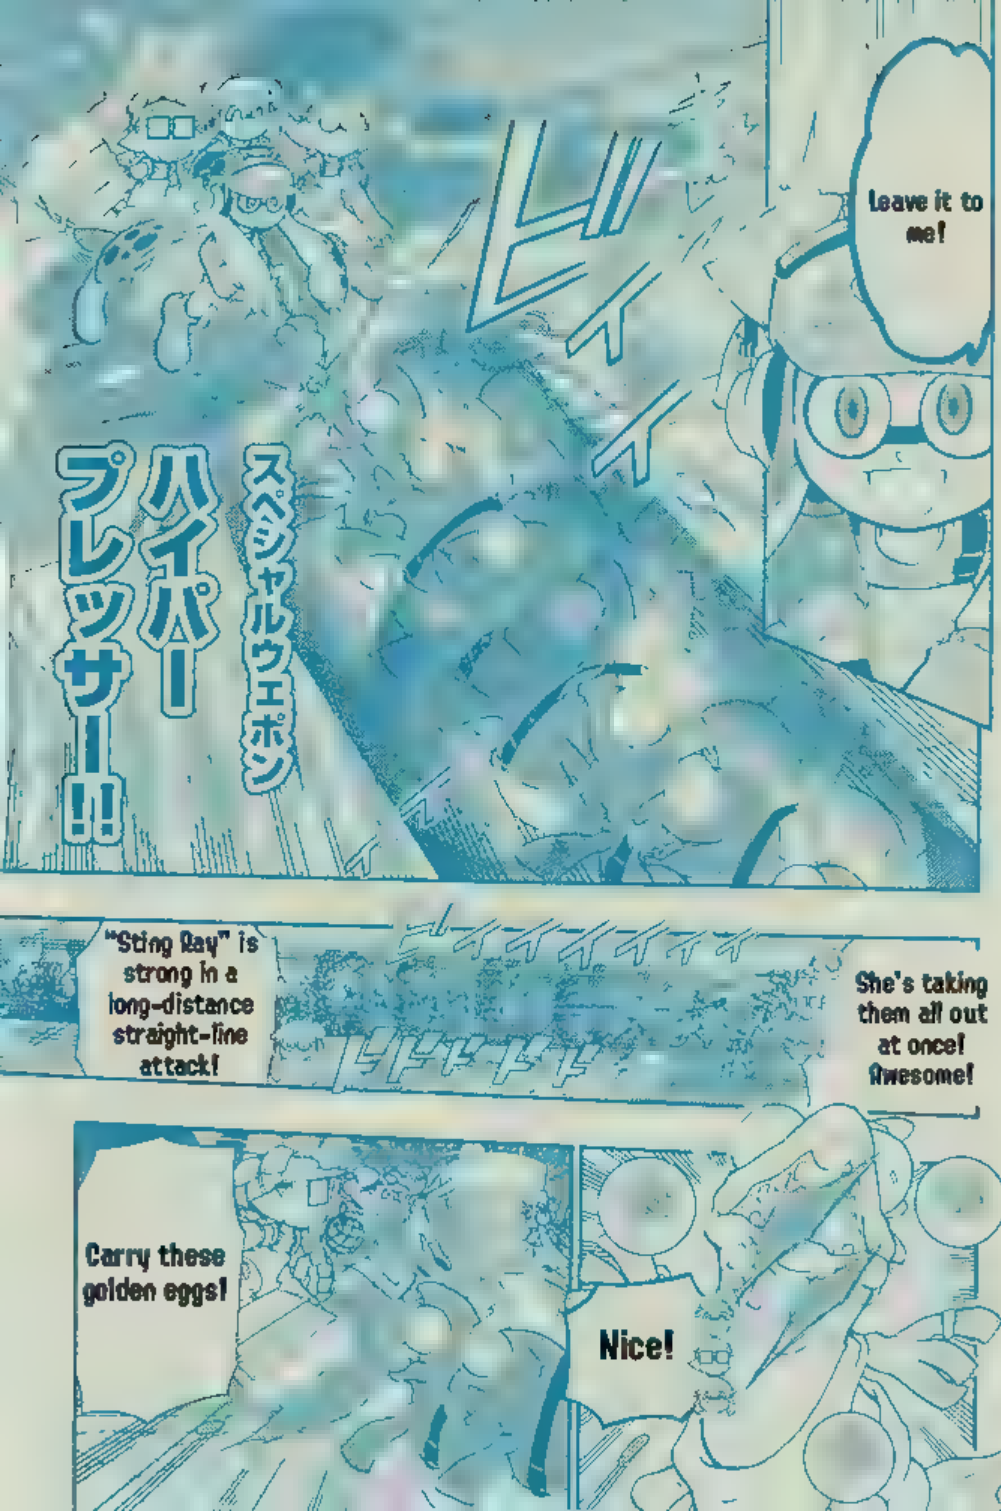
A fly?
Glowflies?
It's glowflies!

They're fast!
The salmonids went berserk and are coming your way.

?
Is that...
Next target is Specs!
Whoa-
Tell us that sooner!
Just be careful when the body glows.



It's a golden salmonid.
This is no time to talk!
It's gold!
That's beautiful!
That's right!
You can also use a special weapon. You can use it twice.
Got it!
But the salmonids are going strong!
If you beat the Goldie, you'll get golden salmon eggs.



Leave it to me!
スペシャルウェポン
ハイパープレッサー!!
"Sting Ray" is strong in a long-distance straight-line attack!
She's taking them all out at once! Awesome!
Carry these golden eggs!
Nice!

Next one is the final wave!
Wave 2 cleared!
Let's keep this up and get a stamp!
Everything is going well!
Oh, the final wave is...

It's the mothership.
What the hell is that?!
That's the mothership.
Something came out.
A mothership? Bombs?
That's not it!

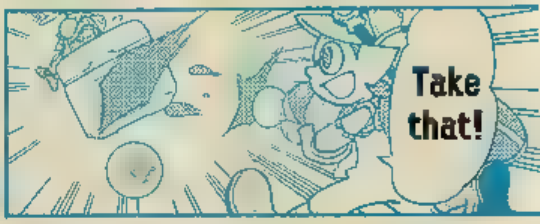
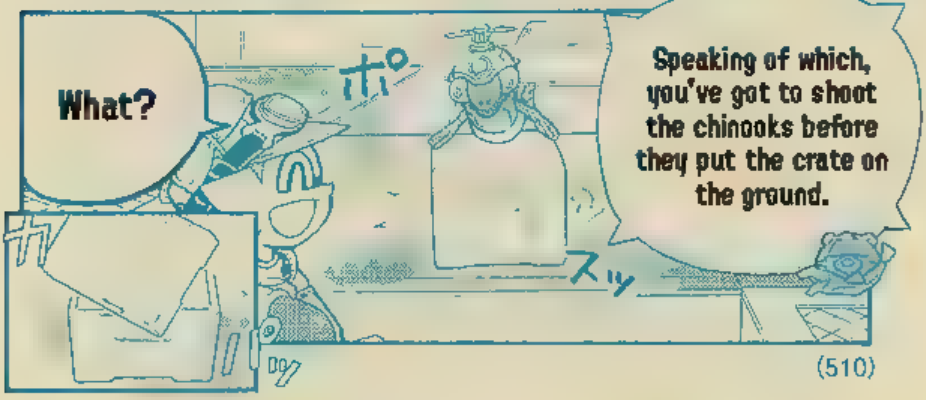
There's more coming!
Shoot the Chinook that's carrying the package.

Alright! Let's shoot and collect them!
It's a golden egg!

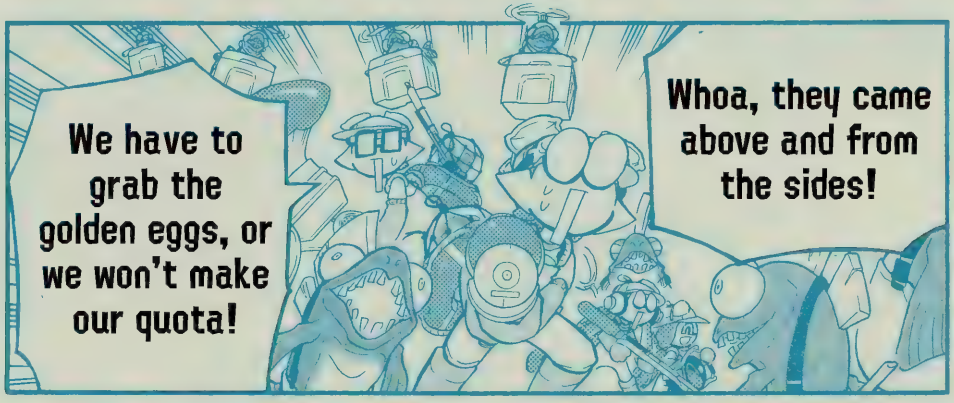


Take that!

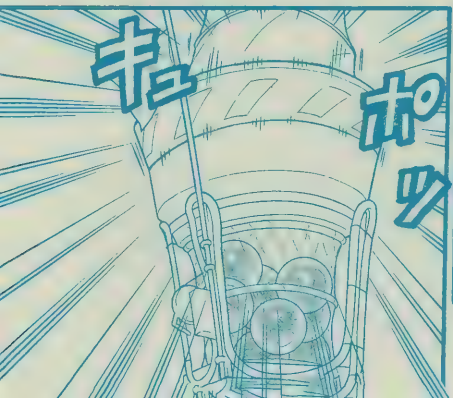


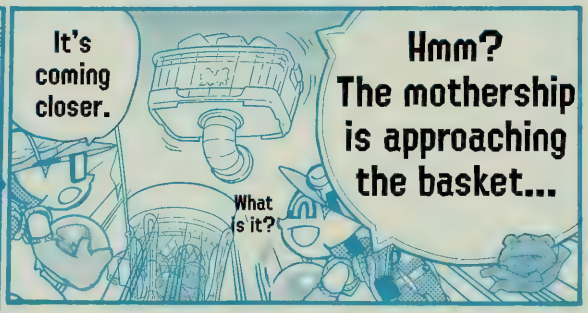
What?
Speaking of which, you've got to shoot the chinooks before they put the crate on the ground.

They're coming out!
Otherwise, the salmonids will come out of the box.
Tell us sooner!

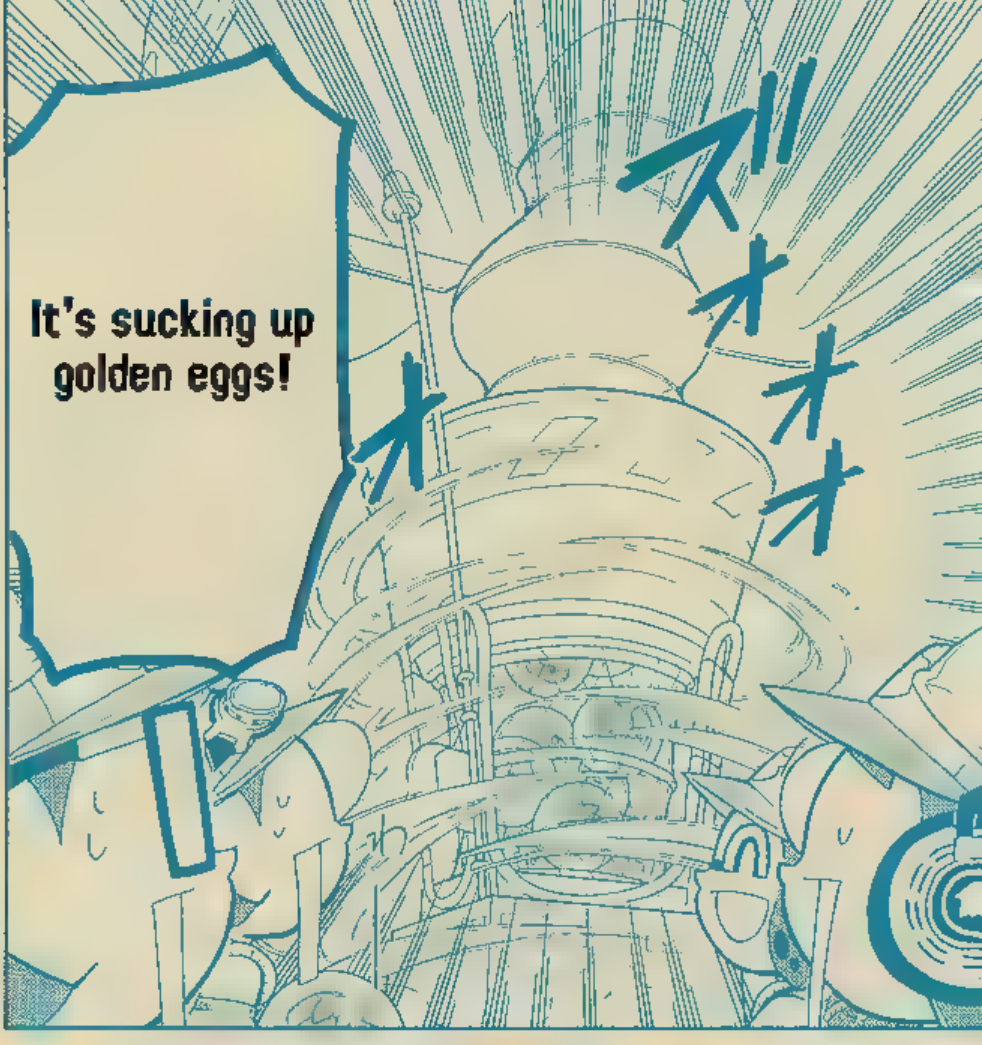


We have to grab the golden eggs, or we won't make our quota!
Whoa, they came above and from the sides!

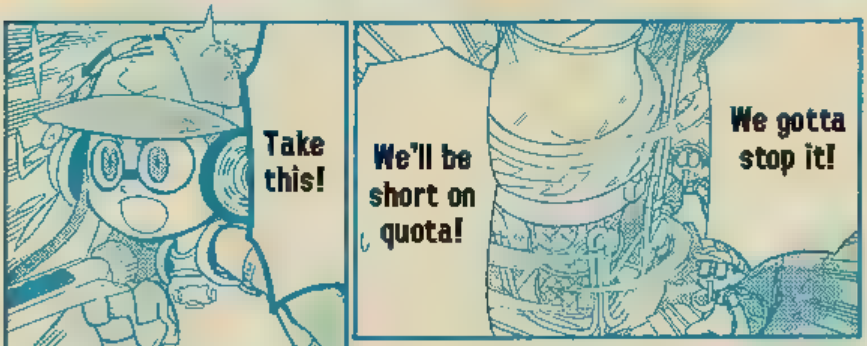




It's coming closer.
What is it?
Hmm? The mothership is approaching the basket...



It's sucking up golden eggs!
ズオオオオ



Take this!
We'll be short on quota!
We gotta stop it!

You're in trouble, huh.
Golden eggs are getting sucked up!

Oh?
